

The Philadelphia Project – Summer of Service

Youth Group Mission Trip to Philadelphia, PA

Sunday June 30th – Thursday July 4th, 2024

What is the Philadelphia Project Summer of Service?

Summer of Service is a weeklong mission trip for students who have completed 6-12th grade. We challenge youth to serve whole-heartedly in our community and to think critically about how God's Word speaks to social and spiritual issues. Our prayer is that God uses this extended experience of service, worship, and fellowship to make an eternal impact on youth and those they serve as well as a visible impact offering hope and restoration to our community.

What does the week look like?

This shortened Summer of Service week extends from Sunday afternoon to Thursday morning (home by late morning for family holiday plans). Explore the city through a prayer tour after you arrive, join us in nightly worship, and serve with your group at your ministry site from Monday – Thursday.

What is a Ministry Site?

Ministry sites vary each week based on capacity and need within our communities. We can specify your track to home repair, mercy ministry, kids camp, and church partnership. Each area has specific focus to help meet the needs of the community around them.

How much does it cost?

The cost for the **5-day trip is \$150 per person** for calvary students and their friends.

A **\$75 per person deposit** is required along with registration by **April 15th**
